

Mien & Family News --- from C. W. Callaway, January 2013

Forgetting what is behind and straining toward what is ahead,
I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus. Phil.3:13b-14

A NEW YEAR

I've now experienced 92 new years in my life. I've seen all I want of pain, sin, and death. So I'm not longing for even 10 years more on this planet. More and more I long to "depart and be with the Lord" and to be with loved ones who have gone on to heaven. But if He sees fit to keep me around for awhile I will continue to rejoice and be glad in Him.

A NEW MINISTRY

Mien Christian Mission Fellowship leaders for several years have gone to conduct training programs in Asia. Some attendants have come from a closely related ethnic group called the Kim Mun or Lantien. They call themselves Canh Zeiv Mienh.

Now MCMF is assisting them to translate the Bible from Mien into their language.

A NEW DICTIONARY

Mien are rejoicing -and I with them. This long awaited book has arrived & copies are selling fast. This dictionary is a product of more than 20 years work by a team having many years of experience in linguistics and Iu Mien language and culture. Dr. Herbert C. Purnell is compiler and editor. I and Mien are already finding it invaluable. My main regret is that it was not available 62 years ago when Lois and I were making our first contacts with Mien in Thailand!

It has a beautiful hard cover

It will be especially useful for:

- Iu Mien in North America trying to preserve their language
- Younger Iu Mien wanting to improve their language proficiency and understand how their parents and grandparents lived when in Asian highland villages.
- Language learners, Scholars

Available from The Center for Lao Studies (San Francisco, CA) www.laostudies.org and Silkworm Books (Chiangmai)

A NEW VISION

For the past 2 or 3 years the 4 member Mien Bible Recording Team in US has been struggling to learn the latest innovations in digital recording technologies and the best methods for obtaining good quality recordings. But due to full schedules of the volunteer staff and many obstacles progress has been all too slow in the recording of the whole Bible published in 2007. Now we are all excited over a new vision.

The Talking Bible

In the 1990's Audio Scriptures Intl. and a Christian technologist helped a team of Mien record the New Testament. But now our goal has been to re-do it and to add the Old Testament. Audio Scriptures now has a new name-Talking Bibles-and current president, Mark Hoekstra has helped us in many ways including leading a training program. Now a dear brother has challenged us to engage a Mien team in Thailand (where daily wages are much lower) to work full time and to complete the task much faster. PLEASE PRAY WITH US AS DETAILS ARE WORKED OUT!

LAST YEAR 2012

A SUMMARY

MAY

My brother Max died. Now out of 7 siblings and their spouses only my youngest brother & I and 2 sisters-in-law survive. Lelan and Cinda visited 5-days and helped with computer & other problems. I went with them to the wedding of a grandson & then on to their home & family in Texas. It was good too to see supporters there.

JUNE On Wed. June 13th I had laser surgery to reduce the prostate gland.
