## **Church Multiplication Movement Training (CMM)**

This was taught by David Dale in Seattle 9/14-16. It was an intensive training with hands-on practice in soul-winning methods. These methods are being used among many people groups world-wide with rapid church growth resulting. The 32 Mien who attended came away excited and eager to use what they learned to start such a movement among their own people. It is now our prayer that this training can be taught in California and many places in Asia.

## **IT CAN BE DONE !!**

We praise God for the 20,000 or so Mien who know Christ as Savior and Lord. But we long to see the million and a half outside of Christ also challenged by His Good News. Thousands are being reached in people groups on every continent by these "new" methods - which are actually scriptural methods.

Let's quit our wishful thinking and raising His banner confidently declare, "It can be done! And, if the Lord tarries in His return, **IT WILL BE DONE!**"

### **Who says we must meet in a building?**

After the 1968 hail & windstorm wrecked the Nong Waen church and much of the village the church services continued in the open. This story is in chapter 3 of the Mien Church History.
