**Help start a**  
Mighty Movement of Mien to our Messiah  
**Attend this Church Multiplication**  
**Movement Training (CMM)**  
**At YMBC Richmond, CA**  
**May 10-12, 2018; 9 AM to 5 PM**

**This is not a boring lectureship. It is an intensive hands-on T.R.A.I.N.I.N.G. It is vitally important for all to attend all 3 days lest they miss out on the early instructions and background. David Dale will teach in English but there will be Mien translators. Your registration fee includes a manual in either Mien or English.**

You will learn Biblical methods that are being used among many people groups world-wide with rapid church growth resulting. The 34 Mien who attended this training in Seattle last Sept. came away excited and eager to use what they learned to start such a movement among their own people. It is now our prayer that this training can be taught in many places in Asia & the west.

■ Are any of the girls in the top picture also in this one?
That is a real possibility!

This bottom picture shows Discussion and Practice of principles taught at the CMM training in Seattle last year. Individual and group practice is an integral part of the CMM training.

IT CAN BE DONE !!

We praise God for the 20,000 or so Mien who know Christ as Savior and Lord. But we long to see the million and a half outside of Christ also challenged by His Good News.

Thousands are being reached in people groups on every continent by these "new" CMM methods - which are actually old scriptural methods.

Let's quit our wishful thinking. Let's raise high His banner & confidently declare, "It can be done! And, if the Lord tarries in His return, **IT WILL BE DONE!**"

Plan now to attend all 3 days of the CMM training !
